I heard you say

Take me to the place where you go
Where nobody knows, if it's night or day
Please don't put your life in the hands
of a rock and roll band, who'll throw it all away

Gonna start a revolution from my bed
Cos you said the brains I had went to my head
Step outside, the summertime's in bloom
Stand up beside the fireplace
Take that look from of your face
Cos you ain't never gonna burn my heart out

So sally can wait, she knows it's too late
as she's walking on by
Her soul slides away, but don't look back in anger
I heard you say
[Guitar Solo] [Chorus again "So sally can wait..."x2 ending with:]
