

The Smiths - There Is A Light That Never Goes Out

F#m ... A B

C#m B C#m B A E B

Take me out tonight

C#m B C#m B

where there's music and there's people

A E B

who are young and alive

C#m B C#m B

Driving in your car

A E B

I never never want to go home

C#m B C#m B

because I haven't got one

A E B

anymore

C#m B C#m B A E B

Take me out tonight

C#m B

because I want to see people and I

C#m B A E B

want to see lights

C#m B C#m B

Driving in your car

A E B

oh please don't drop me home

C#m B

because it's not my home, it's their

C#m B A E B

home, and I'm welcome no more

F#m A B E C#m

And if a double-decker bus

A B E

crashes into us to die by your side

A B

such a heavenly way to die

E C#m

And if a ten ton truck

A

kills the both of us

B E

to die by your side

A B

the pleasure the privilege is mine

C#m B C#m B A E B

Take me out tonight

C#m B C#m B A E B

oh take me anywhere, I don't care...

C#m B C#m B

And in the darkened underpass

A

I thought Oh God,

E B

my chance has come at last

C#m B

[but then a strange fear gripped me and

C#m B A E B

I just couldn't ask]

C#m B C#m B A E B

Take me out tonight

C#m B C#m B A E B

take me anywhere, I don't care...

C#m B C#m B

Just driving in your car

A E B

I never never want to go home

C#m B C#m B

because I haven't got one

A E B

I haven't got one

C#m B C#m B

There is a light and it never goes out

A E B

There is a light and it never goes out
